## Junior Officials Development Program

### Program Works

Officials play a vital role in the game, they are often described as the third team on the ice. The basic role of the on-ice officials can be broken down into two simple words – safe and fair. For a referee to view and officiate the game with these two words in mind, they should be able to call a game that is acceptable to all of the participants. The LRG training and development program is designed to assist young officials learn their role in the game and develop the skills necessary to ensure a safe and fair hockey game. This program consistently proves to be instrumental with guiding young officials for improvement of

- Decision making skills
- On ice awareness as an official
- Communication skills
- Applying the rules of the game to promote safe and fair play

As part of this program we assign experienced officials as mentors to assist with the training and develop our younger officials. The on-ice mentorship and off-ice guidance brings practical and classroom style learning together with positive enforcement in order to build their self-confidence.

## Who are we

In 2007, the London Referee Group, also known as the LRG, was established. This was the merger of the Forest City Referees Association (FCRA) and the London Hockey Referees Association (LHRA).

London Referees Group is a non-profit membership-based organization that acts as a resource for hockey officials in the City of London and surrounding area. LRG is an official partner of:

- Hockey Canada
- Ontario Hockey Federation
- Alliance Hockey
- Ontario Minor Hockey Association
- Ontario Women's Hockey Association
- Sledge Hockey

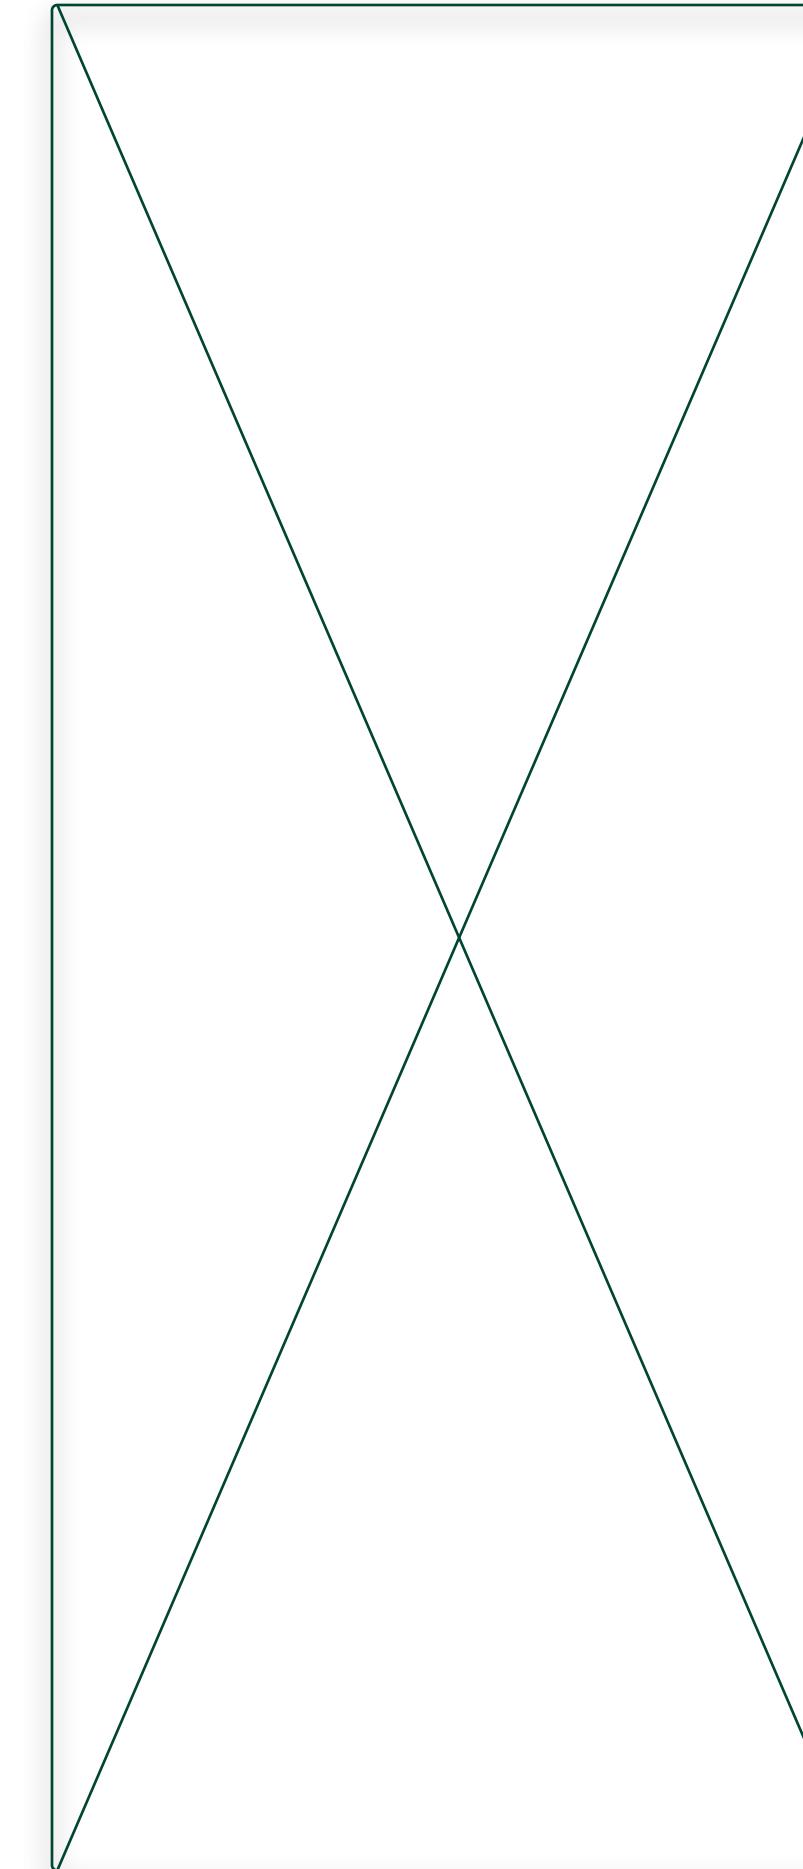

The LRG provides on ice officials for games at various levels of hockey, such as: minor hockey, high school, sledge, and adult. As an organization we strive to maintain an environment that embodies the core values of integrity, leadership, perseverance, respect and teamwork while enhancing self-esteem, promoting self-confidence and cultivating a lifelong passion for the game.

LRG members commit to representing the vision and mission of the London Referees Group. They encourage a high standard of ethics, closer cooperation, and understanding of the role of the referee among officials, coaches, players, parents, the community and the media.

Membership requires a one-time application and statement of interest. Membership is open to all genders, ages 14 and up.

As an organization, we are focused on developing and maintaining a membership consisting of experienced and capable on ice officials. They are advocates for the ideals of good sportsmanship and fair play through qualified officiating in hockey and respect for the authority of hockey officials at all levels of competition.

The executive leadership of the LRG supports ongoing development of its members by promotion of education and training programs that advance the skills of hockey officials. As well, as providing information programs to coaches, parents, and community members that advocate for a stronger understanding for the role of the on-ice officials and the competence of these individuals.

## Vision & Mission

### Our Vision

To promote the game of hockey through fair and safe play, and a respect for all individuals involved in the game

### Our Vision

The London Referees Group is committed to providing a high standard and quality hockey officiating in the City of London and surrounding area.

### Our Priorities

- Responsibility – being physically and mentally prepared for each game.
- Education & Training – providing resources to continue the development of officials and provide training and mentorship for young officials to develop their skills.
- Partnership – building positive relationships with hockey associations, other officiating associations, and members of the community.
